

Towards 2014

March 2014 - Number 28

Letter from Team ²⁰¹⁴

Dear Pilgrims!

This March, which is the beginning of the year for many countries in the southern hemisphere, we look towards our source of grace, our Original Shrine.

"We come from different places", but around the shrine, all our differences are merged into one single family spirit, because we come to a place where we're all children, where the Blessed Mother and our Father are waiting for us.

In our journey towards the 100 years Jubilee of the covenant of love, each month we ask ourselves:

What gift will I bring to the Shrine this 18th?

In this way we can make more concrete the life that flows from our covenant.

In the coming days, you can visit the revamped official 2014 Jubilee website: www.schoenstatt2014.org
This is your direct link for all updates.

In this month of March, the Central 2014 Office is full of life. Earlier this month we had a *Covenant Culture Tent* conference discussing these 5 covenant areas: Family, Youth, Pedagogy, Church and Society. This is a beautiful and historical work that we will be able to appreciate during the celebration in October around the Original Shrine. The tents are to be an extension of the shrine, reaping the fruits of the covenant in the various fields. Below are the contact details of those responsible for the *Covenant Culture Tents*:
