"We are setting out for Schoenstatt"

We carry the flame into the future

International meeting of the Schoenstatt Girls Youth. Generation 2014: Living Crown for a new era! Our ending point is the start: The future has begun! It is time for new heroines. As international Girls Youth we are sent out: in our country, in our place, with the blessing of our Father and Founder, as his youth! On Sunday, October 19 we, as an international Boys Youth, will conclude the big jubilee celebration with our meeting: IGNIS. There will be time to share experiences, work in groups, a platform, and more! At the end of this meeting we will recommit ourselves as International Boys Youth: Our entrance into the next 100 years of Schoenstatt!

My thoughts - when putting my shoes on:

High, higher, highest!

As International Schoenstatt Youth we will set out every month to fulfil a new resolution.

only 92 days to go

* On Saturday June 14, as volunteers we welcomed the spanish speakers pilgrims who live in Germany, was a busy day with your family, we also had testimonies, games with smaller denominations and we close a Mass together.

* On July 10 it was 100 days until our Jubilee - the countdown is running! The 2014 Office and all the volunteers gathered at the Original Shrine to say thank you to the Blessed Mother for the journey so far and to renew their trust in her for the rest of the preparations: HER Covenant- Our Mission.

* Your starting number is almost finished. More information coming on 16.10 at 21:00.

I am coming to the jubilee ...

„...the jubilee is a highlight in my timer. I am fascinated how many people are working for the jubilee and all because Father Ken-tenich gave everything for us. I am excited that we can be there live when the next 100 years of

Schoenstatt start as the new Generation.“

(Helena Bodenmüller, 19, Deutschland)

“I'm going to the jubilee because Schoenstatt is full of life, so full of graces, and has a living history that has emerged from a special place of grace, and I am going to celebrate and to give thanks in what will be a historical moment. As youth of the centennial, we must refound Schoenstatt which is nothing less than extraordinary!”

(Mauricio Urrutia, 21, Chile)
