"We are setting out for Schoenstatt"

We carry the flame into the future

In 2005 about 2000 youth made the covenant of love for the youth of the world at the Schoenstatt International Youth festival. The shrine made of plexus glass, contains all our contributions and since then we have continued to fill it. This will be opened during our vigil celebration in October and we invite you to send your contributions from all over the world so that it may be full. For this reason the home of the plexus shrine is in the volunteer's house chapel.

If you have a contribution then please forward to:
Youth 2014, Plexiglasheiligtum, Höhrer Str. 91, 56179 Vallendar, Germany or youth@schoenstatt2014.org

My thoughts - when putting my shoes on:

I am part of this new generation!

„Wherever we are there should always be sparks, life, warmth and inner fervour.“ (J. K.)

As International Schoenstatt Youth we will set out every month to fulfil a new resolution.

* The programme team met at the beginning of April and it was noticed that we are moving on.

* A jubilee hymn for children has been recorded.

I am coming to the jubilee ...

I am coming to the jubilee because I want to be a part of this historical event of our international Schoenstatt family. I want to bring the life that will flow from this event to the youth of my country, so that when they ask me how the great jubilee was I can reply that I was there.

(Sofia Arvins, 23 years, Portugal)

I am coming to the Jubilee! Last year I was inspired while watching the opening of the Jubilee Year in Mugloa, Australia. I just knew I had to be in Germany on Oct 18 2014! This is a once in a lifetime opportunity that I was not going to miss out on. A time to rejoice, celebrate and thank Fr Kantenich and our Mother Thrice Admirable for the 100 years we have had and ask for the will of God to be fulfilled in each one of us and our Schoenstatt family in the next 100 years to come.

(Christina Baysari, 26 years, Australia)

On your marks! Get set! Go!

In the youth tent the youth will line up at the starting line. We will carry the torch into Schoenstatt's second century.

See the fire from the original source yourself: Original MTA newspaper, a telephone which belonged to and was used by Father Kantenich, touch some relics from that time. Choose a sentence from Father Kantenich as a guide for your future and learn more about the heroes from the first generation.

Experience the inner fire of the Schoenstatt Youth: Projects and initiatives from around the globe, that crowning feeling..., a large jubilee forum on character growth and Misiones...

Carry the flame into the future: Fitness check, room of the future, torch walk on 18th October to all the shrines in Schönstatt.

Furthermore you will find...
- Café Tent with swop shop
- Sport: Football, climbing wall, kicker
- Arts and Crafts: My memory of the jubilee
