

Kinder-Jubiläumslied

Today, today,
the heavens are now open.
A new time begins for us today.
A hundred years of our covenant, fire, life and future.
Let us go together hand in hand!

1. Holy Mary, we thank you
that you are right here among us.
Light in us the fire of love for our God.
Help us believe, each day anew.
2. Father Kantenich, we thank you.
You founded Schoenstatt with such true faith.
What began one hundred years ago
now motivates throughout the world.
3. You, our little shrine, we thank you.
You are our home, and our safe place.
From here a new world begins to evolve.
Your doors are always open wide.
4. To you and you, we say thank you
that we could become one big family.
Light, the salt of the earth, we should be.
That's our mission. We are ready.
